Brian Gatto

Sunday, October 13th
12-3 pm

There are times where you begin to wonder if what you are watching would benefit better if it were in book form. Those low-budget, cheesy creature features can only push so far with their limitations. When reading one of Brian Gatto's books, you get everything you wish was on screen. Crazy creatures that spread chaotic carnage. You will be thrilled and chilled. Chomp on

these delicious titles such as *Stripes*, a shark on drugs in the 80s story, or *Prey of War*, a unique monster tale with a creature hunting POWs in the Vietnam war. Spread the fear.
